Terms & Conditions

1. Air travel & Passports are your responsibility.
2. Bike Shipping. Price includes the shipping of any bike which comes within the definition of STANDARD SIZE – i.e. less than 2.3 m long. YES, that's LESS THAN 2.3 metres long. A container door is 2.3 m wide. We can take bigger/longer bikes – see page 4 for additional costs.
3. VISA's - you don't need a visa for any of the destinations shown on this itinerary if you are travelling on an Australian or New Zealand passport.
4. Price These prices are subject to changes due to accommodation, rail, shipping rates and ferry ticket price fluctuations and exchange rate fluctuations up until the date of receipt of your final payment. Once your final payment has been received there can be no variation of price for this itinerary. These prices were costed using 2015 figures.
5. Refunds – will not be made in respect of unused services or services not undertaken.
6. Deposit – a deposit of \$600 is required at the time of booking. The deposit is NON refundable. We may be able to roll it over to a later tour/shipment or refund it if you can encourage someone else to take your place, at the discretion of Get Routed.
7. Payment of the balance of your tour cost must be made 1 month prior to loading. You will be invoiced.
8. Departure - a minimum of 10 bikes (or less at our discretion) is required to ensure departure of this tour. If the tour is cancelled due to a shortage of participants all monies will be refunded.
9. Shipments. We fit 10 bikes (or 20 into a 40' container) into each container and only ship full containers. It is envisaged that there may be containers out of Melbourne, Sydney, Brisbane and Perth. If there are more bikes than we can fit in a container (or not enough) the bikes may need to be moved to another port to make up the numbers for an extra container. Moving bikes to another port for loading is at your expense. Book early and it's not a problem.
10. Luggage. We can take some bike luggage in the container, but it must be bubble wrapped and off the bike when loaded. Panniers & Top boxes (hard & soft) can be taken in the container but must be bubble wrapped to protect against damage – you take full responsibility for any Panniers & Top Boxes in the container. All panniers & top boxes must be labeled – name & bike rego number. Failure to comply will see someone upset on bike loading day. As well, in the container **we can take your helmet, riding boots, jacket & riding pants and wet weather suit**. You are responsible for wrapping it to avoid damage. We can't take tents or other personal effects.
11. Remember: -Top Boxes & Panniers MUST be **off** the bike at loading time.
12. Bikes must be clean enough to pass rigid Quarantine inspections at both ends. This is your responsibility.
13. Itinerary. This itinerary could be subject to change without notice.

The Loss or Damage that we accept is any Loss or Damage, or other Liability that may arise from the voyage, which would be covered by Marine Insurance Institute Cargo Clauses "A". In other words, we have insurance in place to cover us and our liability in respect of all bikes in the shipment and the excess, should there be a claim, is your responsibility.

Riding Insurance We are in contact with an insurance consultant company who may be able to provide Fully Comprehensive cover for your bike while in the UK & Europe. To be legal on the roads in the UK & Europe you need a minimum of 3rd Party.

Loading date We require your bike approx 4 days prior to the shipping date and shipping Melbourne into Felixstowe takes 36 – 44 days. Loading date will be decided in April 2012 when we have seen accurate shipping schedules.
