You can ride your bike in the UK/Europe on your Australian Registration plate for up to 6 months (subject to your Aussie rego being current for that time) and using your current Australian licence for up to 3 months. An International Driving Permit (for up to 12 months) is advisable if you're staying beyond 3 months. The IDP is necessary if you're touring Europe because it's really just a translation of your Aussie licence.

Riding Insurance We are in contact with an insurance broker company who may be able to provide Fully Comprehensive cover for your bike while in the UK & Europe. We will contact them 1 month prior to loading (for a quote for your bike) so that your bike will be covered before Customs Clearance in the UK – Insurance cover is compulsory in the UK and is part of the Clearance process.
