

Shipping YOUR BIKE to

ATHENS in 2018

1 December, 2015

As motorcycle shipping agents Get Routed offer the following shipping service - for 2018 there will be one shipment from Australia – ex Melbourne, ex Sydney, ex Brisbane & ex Perth – all subject to a minimum of 10 bikes.

If there's not enough bikes at any Aust port for a viable shipment the bikes will have to go to another port for loading, at the owner's expense. You need to understand this.

Please note: Bike owners **must** be in Athens on Monday 2 April at 9am for the Customs Clearance process with Bike rego papers, IDP (International Driving Permit – from RACV etc) Bike Insurance docs (we will have them there for you) and a current passport. No exceptions. You must be present to have your bike Customs Cleared. If you don't turn up on time the whole shipment will be delayed.

It is our intention that all clients read, understand and act upon the Terms & Conditions. So, please read and understand this whole document.

An International Driving Permit (for up to 12 months) is advisable if you're staying beyond 3 months. The IDP is necessary if you're touring Europe because it's really just a translation of your Aussie licence.

Riding Insurance in UK & EU Countries We are in contact with an insurance company who may be able to provide Fully Comprehensive cover for your bike while in the UK & Europe. We will send your requirements to them 1 month prior to loading so that your bike will be covered before Customs Clearance in Greece – Insurance cover is compulsory in the UK & Europe and is part of the Clearance process.
